*Hello Earth!*, 2007

Anna Fiske

## *Whistle for Tella*

Tella always comes when you whistle, and she wags her whole body. But then something happens that happens to all pets in the end. Sad as it may be.

*Whistle for Tella* is a beautiful story about a difficult subject. With a distinctive, child-like gaze and warm observations, Anne Fiske writes about grief and about having to carry on.

## Anna Fiske

---

Anna Fiske (1964–) studied graphic design and illustration at Konstfackskolan in Stockholm. Since 1992, she has worked as an illustrator of comic books and children's picture books.
