Everybody Travels

This is a playful and engaging seek-and-find book which also carries a meaningful message. People move around all the time, but where are they going? Everybody sees the world in their own way, but when people's paths cross, we can achieve friendship, mutual understanding and hope for the future. Let's celebrate our differences and similarities! "Everybody Travels" is a sequel to the multi award winning "Everybody Counts" and it has all the same loveable qualities.
