**Knut Nærum and Karstein Volle**

# *Uncanny*

In a world right next to ours: Comics are forbidden. A man refuses to lay down his pen. This is his story. And his stories.

Knut Nærum (born 1961) and Karstein Volle (born 1976) have made a declaration of love for comics and genres. Happy endings are not guaranteed. Blood and references to popular culture occur. For adult readers.

"Endearingly nostalgic and at the same time modern."
*Bjørn Gabrielsen, Dagens Næringsliv*

"Fun and unpleasantly up to date."
*Siri Narverud Moen, NRK*

"It's been a long time long since I read such a positively uncomfortable Norwegian comic book, where violence never feels speculative, but as a natural part of a horror regime. And unfortunately there's very little science fiction about just that."
*Erle Marie Sørheim, Dagbladet*
