

A couple who lives in Beijing
moved into a shimmering ring.
They love their life
as husband and wife,
and who knows what the future will bring.

A musician from downtown Berlin
lives in a washing machine.
He fills his home
with laughter and foam,
and the music from his violin.

A pilot that moved to Rangoon
resides in a giant balloon.
He would like to stay
but keeps drifting away,
and he just hopes that he will be back soon.

A cheerful young lady in Rome
made a bag of candy her home.
She's ever so sweet
and if she needs a treat,
she soaks in some bubblegum foam.
