The dream-team Arne Lindmo & Ida Skjelbakken launch a standalone and action-packed Christmas novel in the heist genre! Four impoverished street children have decided to celebrate the best Christmas ever, but to do so, they must pull off the greatest Christmas caper of all time! The novel is fully illustrated in color.

Synopsis of **Julekuppet / The Christmas Caper**

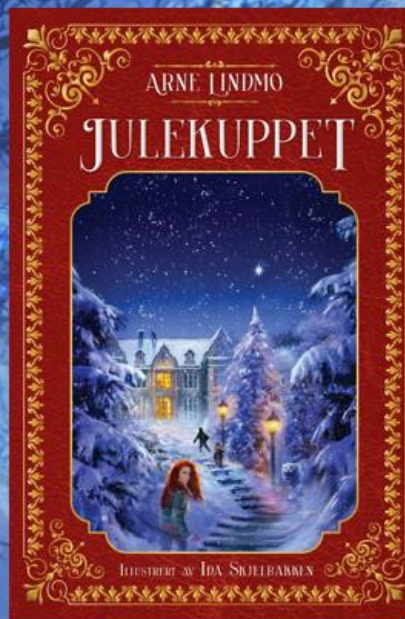

by Arne Lindmo & Ida Skjelbakken

Out on an island, an old, grumpy millionaire prepares a strange Christmas ritual: Toys wrapped as presents, candy and food are ordered from the mainland and put in his house, only to be thrown out and used as firewood on Christmas day. Why? No one knows, but four poor street children decide it is all too unfair and plan to steal away some of the food and presents on the night before Christmas.

The carefully planned heist includes putting a tiger to sleep, hacking the alarm system and climbing down the chimney, but nothing goes according to plan, and the children soon have their hands full just trying to survive. As if things were not scary enough, a supernatural element is introduced as the mansion seems to be haunted.

The book is full of action, adventure, humor and Christmas spirit. It is written and illustrated in color by the award-winning duo of Arne Lindmo and Ida Skjelbakken, the star team behind the Trollheim-series. The book is a standalone novel that can be enjoyed by readers of all ages.

«Loved that it was
exciting all the time.
Everyone is going to
enjoy this.
– Solveig
