Malin Falch

Northern Lights book 1 *The journey to the valley of the Trolls*

Join us on an epic adventure to a magical Norway.

Sonja is visited one night by a boy, almost like her, but not quite. He is from another dimension, and he brings her with him to his world through a portal. They travel on the northern lights and arrive to a version of Norway different from what you see every day. A place that lives in our imagination, a place of wonder and adventure.

I don't really think I can explain it ... But I can show you!

- Espen to Sonja at their first meeting.
