Marit Beate Kasin

Winter Dance

1000 kilometres. 14 dogs. 1 woman.

In *Winter Dance* Marit Beate Kasin's writes about her three participations in the extremely tough sled dog race Finnmarksløpet, a race where the contestants fight with themselves, the forces of nature and the competitors for six days and nights over thousand kilometres in some of the most demanding and remote mountain areas north in Norway.

Winter Dance also tells Kasin's story, from being a newbie in long distance dog sledding, to become Norwegian champion and overall winner in Europe's longest sled dog race. It is a life in storm and silence, close to nature and close to the dogs, with their different fascinating personalities.

Winter Dance is first and foremost a book about living simple and dreaming big, about the interaction between humans and animals, about the forces of nature and the forces in ourselves, and how extreme situations and challenges makes us stronger.
