Hello, sea!

Another Hello-book from Anna Fiske! In *Hello, sea!* we're going underwater. For an entire year we follow life under the sea, where more goes on than you would ever believe! Here we meet mermaids skipping, seahorses whinnying and a skate with a far-out hairdo. We also find the remains of sunken pirate ships and the ruins of old temples. Grab your swimming ring and goggles and let's go!

This is the fifth Hello-book, which, like the first four, also contains large, detailed and busy pictures where you can always discover something new.

Hallo Byen! (2009)
Hallo Planeten! (2010)
