Lene Ask

May and June *The May Mystery*

May has been invisible for as long as she can remember. No one apart from Mum and Rolf knows she exists. Until one day, an unknown guest shows up at the bar in the hotel. A special friendship ensues. This is not without complications for May, who has lived such a sheltered life and now must learn to relate to the unrestrained June. Eventually the friendship overcomes the differences, and the two girls find out how much a friendship can mean when everything is at stake.

May and June is the first book of five in the May Mystery books for voracious readers.

Lene Ask

Lene Ask (b. 1974) is a versatile writer for children and young adults.

She is a photographer, illustrator, cartoonist and writer. Apart from writing

and illustrating her own books, she has illustrated the popular *Ville Wilma*

books for reading aloud. In 2006 she was awarded the Sproing Prize for the cartoon novel *Hitler, Jesus and Grandad*.
