Kristin Roskifte

## *Everybody Counts*

*Everybody Counts* is a seek-and-find book, a counting book, and a picture book about humanity. We are counting people, from 0 to 7,5 billion. All the people belong to groups, e.g. a family, a flea market or an airport. We start with a boy and his family, and all the groups are related to them. Many people appear in different groups and situations, and throughout the book numerous narratives are created. The book provides a playful view of the many connections and coincidences in our lives. Every single one of us has a unique story, but we are all part of the same group – the world.

*This book from Kristin Roskifte is impressive, ambitious and unique within its genre. She brilliantly combines the counting and seek-and-find picture book formats with narrative development. ... Everybody Counts is an uncommonly rich hidden picture book that has a great deal to impart.*

- The jury statement of the Brage literary prize.
