Julie Andem

SKAM Season 2: Noora

The SKAM books are the original scripts of the worldwide hit web drama series of the same name, just as they were written.

Each SKAM book contains one of the four seasons that aired between 2015 and 2017. The scripts have never recorded scenes, lines that were later cut, newly written prologues and epilogues, and Julie Andem's own comments and unique mind maps.

SKAM Season 2: Noora follows Noora Amalie Sætre, the iconic young woman first introduced to viewers and readers in SKAM Season 1: Eva. As in Eva's season, friendship and love are key issues in Noora's story and her volatile relationship with William, a third-year student, is a recurring motif. But Noora's season also deals with bigger issues like feminism, eating disorders, self-image, sexual violence and the contemporaneous refugee crisis in relation to Norwegian democracy.

The SKAM books are the ultimate key to the universe that absorbed an entire generation of viewers. Get ready to get to know Eva, Noora, Isak and Sana like never before.

Julie Andem

Julie Andem (b. 1982) is the world-renowned Norwegian screenwriter and director of *SKAM*, the teen drama web series that became an unprecedented national and international success upon airing in 2015. The series, which follows a new main protagonist in each of the four seasons, utilized a unique approach where social media posts, texts and clips were released in real time while it aired. The innovative concept won Andem the prestigious Norwegian **Golden Screen** award for "Best Innovation" as well as "Best Writing for a Drama" and "Best Directing for a Drama." Andem has also directed the American remake, *SKAM Austin*, a Facebook Watch web series.
