Jon Fosse

Someone Is Going to Come

In *Someone is Going to Come* the two of them want to be together, just the two of them, so they leave the city and buy a remote house by the sea. But is it possible to do what they want to do? In their desire to be alone together they near flee the world of people but are followed by the anxiety that someone is going to come and disturb them. Won't somebody come? Surely someone will come.

Someone is Going to Come is Fosse first play. Written in 1996, with the world premiere held at The Norwegian Theatre and soon came to signify a new era within the contemporary theatre.

Jon Fosse

Jon Fosse is widely considered one of the world's most important living writers. Born in 1959 in Strandebarm, a small village in the western part of Norway, he lives today in the Grotten, an honorary residence, as well as in Hainburg, Austria, and Frekhaug, Norway.

Fosse has received numerous prizes, both in Norway and internationally, and he is mentioned increasingly often as a likely contender for the Nobel Prize. He is currently finishing a major seven-volume work of what he calls "slow prose": *Septology (Septologien)*, to be published in three volumes in 2019, 2021, and 2023.
