Ola Innset

Firenze

Ten stories that take us through a day in Florence.

The text about Ole-Morten meets the text of Kolo meets the text of Mario meets the text of Sara meets the text of Niu meets the text of Umberto meets the text of Imogen meets the text of Melissa meets the text of Mary, before the evening comes with the text about the river Arno.

What was before, the day before, a little different than the text right now, on this day.
