## *The mysterious Oberon Qvist*

Oberon Qvist, known from Knut Nærum's critically acclaimed crime novels *Boat of the Dead* and *Voodoo on the West Side*, solves nine mysteries. In the tenth it seems he is the murderer. In classic fair-play tradition, all clues are put on the table so that the observant reader can find the explanation themselves.

Oberon Qvist is a long love letter to the golden age of classic crime.
