Hans Erik Næss

The Joy of Driving Car Trips in Europe

There are countless awards for the best, most scenic and not least most dangerous roads in the world for car tourists to choose from. But where should you go? And why?

This book features the most spectacular car trips in Europe. From feats of engineering and high-risk political projects, these roads have become cultural heritage – and they help explain why Europe looks the way it does.

Hans Erik Næss

Hans Erik Næss (b. 1978) has a doctorate in sociology from The University in Oslo and works as a senior consultant at Westerdals, the Oslo School of Arts. He has published several books.
