## *Socks From Norway*

Nina Granlund Sæther is back, this time with the follow-up to her best seller Mittens. In *Socks From Norway*, we travel once again through Norway's countryside and its knitting traditions – this time while keeping our feet warm. In this book you'll find fascinating stories about the origins of the various socks, archive images from museums around the country, and plenty of instructions for socks for the whole family. The book includes 41 sock patterns for ladies, gentlemen and children.
