Crocheting In thick and thin

Your crocheted garments, bags, blankets, pillows and more for yourself and your home will be so cool! This book offers small and large projects, including scarves, short and long vests, jackets, short and long sleeved sweaters, dresses and skirts. Here, there is no lack of creativity in the use of color with thick and thin yarn.

This is the book for both beginners and those who have already crocheted a little.

May-Britt Bjella Zamori

May Britt Bjella Zamori works as a consultant and translator of knitting- and crocheting books, in addition to being a crafts author herself.
