The Chocolate Thief

There's chocolate in the bedside drawer – stolen chocolate! It's not easy for a chocolate thief to sleep at night. Imagine if someone saw what you were doing? When there's a sudden knock on the window one night, our young hero is lured out into the darkness and ends up in the middle of what turns out to be a thieves' gathering, where the scariest and strangest thieves meet up – those who have done far worse things than stealing chocolate. But what is it they want with a simple chocolate thief?

The Chocolate Thief is a new picture book from Kaia Dahle Nyhus about having a secret, and then getting even more.
