KlompeLOMPE's Summer Children

GET KNITTING FOR SPRING AND SUMMER!

This book contains patterns for a number of lightweight garments that children can wear during the spring and summer. The garments are knitted using fine Merino wool and cotton-blend yarn, which means that they are neither itchy nor too warm.

Here you will find more than 40 completely new KlompeLOMPE garments for babies and children, boys and girls; quick garments such as hats and socks, and lovely simple cardigans and jumpers. Several of these items of clothing go well together. Why not knit a romper for your youngest and a matching dress for her big sister? Some of the patterns also have doll versions. Now both your son and his teddy can have a David cardigan.

Hanne Andreassen Hjelmås and Torunn Steinsland are the women behind online store and Instagram profile KlompeLOMPE. They design the garments and develop the patterns together, and Hanne takes all the pictures. Hanne and Torunn have previously had four bestselling knitting books published in the KlompeLOMPE series. 250,000 copies of the books have been printed in total by publisher J.M. Stenersen Forlag.

Torunn Steinsland, Hanne A. Hjelmås

Torunn Steinsland works as a constructor and technical designer for an advisory engineering firm. She has two children. Torunn has always crocheted and learned how to knit as well when she had children. **Hanne Andreassen Hjelmås** is a photographer and takes all the photos for KlompeLOMPE and designs our pattern books.

The authors' goal is to design great knitting patterns for children and adults, patterns for garments that fit well, are nice to wear and can be worn for a long time. The books contain knitting patterns for boys and girls from ages one to six, but also for infants and adults. Many of the patterns are designed for both baby and mom. Find your favorites and combine colors that go well together. The KLompeLOMPE-series has reached a total print run of 230 000 copies. All five books have been number one on Norwegian best seller lists.
