

Audun Mortensen

Recent History

387 incidents never before described in norwegian fiction: examples and counter examples on how humanity will be remembered after we are gone.

Audun Mortensen

Audun Mortensen (b. 1985) is an author and artist. His debut *Everyone tells me how good I am, in case I become it* was awarded "Best poem debut of the year" by Aftenposten in 2009. He has since published a number of poetry books, two novels and the critically acclaimed prose collection, *Animals I have met*.
