Nils Christian Moe-Repstad

## *Wunderkammer* *27 Catalogues*

Stories, portraits, equations, essays, dissertations, theories, encyclopedias, biographies, aphorisms, riddles, paraphrases. Can a three line restriction in poem form through close to 850 pages justify an exploration of these literary concepts?

This is what Nils Chr. Moe-Repstad (b. 1972) tries to answer in the poetry collection *Wunderkammer (27 catalogs)*.
