Jo Nesbø

Macbeth

#1 New York Times bestselling author Jo Nesbø retells *Macbeth*, one of Shakespeare's darkest and most tragic plays.

Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom — a master of manipulation named Hecate — has connections with the highest in power, and plans to use them to get his way.

Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

"Inventive and deeply satisfying /.../ [Nesbo] offers a dark but ultimately hopeful Macbeth, one suited to our troubled times. /.../ Nesbo is the greatest contemporary writer of the thriller"

- James Shapiro, The New York Times Book Review, US

"A clever reengineering of one of Shakespeare's greatest tragedies"

- Publishers Weekly, US

"Nesbø infuses the mythic elements of the tragedy with bold strokes of horrific, Don Winslow-like drug-war realism. The result displays in a strikingly original way both the timelessness of Shakespeare's art and the suppleness of noir to range well beyond the strictures of formula."

- Booklist *Starred Review*, US
