We Shall Not Awaken

Thorkild Aske #3

Former interrogation leader Thorkild Aske must return to his roots on Iceland when his father Ulfur, an environmentalist with a checkered past, is stricken with cancer. But Ulfur is also in jail: he has been charged with the murder of his young lover. When Ulfur insists that he is innocent of the crime, Thorkild and his sister find themselves searching for the truth and the real killer. Their journey across Iceland and into the murky depths of the past – their own as well as that of Ulfur's radical environmentalist group – threatens to lay bare dark secrets best forgotten. The price of the truth will be exacted in lives.

We Shall Not Awaken is the third Thorkild Aske novel, and a true exploration of the gothic and sardonic universe of Heine Bakkeid's lauded protagonist.

Heine Bakkeid

Heine Bakkeid (b. 1974) grew up in the rugged landscape of Northern Norway, where mist-shrouded waters meet some of Scandinavia's most striking mountain formations. Bakkeid made his literary debut in 2005 when he published a spy novel for young adults. Since then he has gone on to write several novels for young readers. The acclaimed *I Will Miss You Tomorrow* is Bakkeid's first venture into crime fiction, and has earned him the critics' recognition as a virtuoso of darkly atmospheric suspense. The novel's dark undertones and windswept landscapes are fetched from Bakkeid's own native North.
