## *Who Stole the Glasses? Crow's Nest Kindergarten Mysteries* *Crow's Nest Kindergarten Mysteries*

Everyone in the kindergarten is helping make vegetable soup. But amidst the commotion in the kitchen, someone needs a plaster. Suddenly Leon and Livia have a new case! Where are Elin's glasses? They were here a second ago ... Through solid detective work, the kindergarten's very own investigators set forth to crack the case!

Crow's Nest Kindergarten Mysteries is a playful series of books written by Lars Mæhle, illustrated by Odd Henning Skjellingstad. Leon and Livia, Crow's Nest Kindergarten's very own detectives, solve mysteries relatable to all children: This is charming miniature crime fiction for children aged 3–6 years. Mæhle and Skjellingstad have created a recognizable, urban, and multicultural universe in which these stories unfold.
