Wilderness sweaters *Warm sweaters for outdoor enthusiasts and* *adventurers*

Outdoor life and dogs have always been a big part of knitting designer Linka Neuman's life, and she is dedicated to knitting sweaters that not only look tough, but also withstand rough weather.

Linka is inspired by people who live a little differently and dare to invest in what they believe in. Her *Wilderness Sweaters* have joined adventurers and outdoor enthusiasts on strenuous trips in both forests and the mountains - and even on expeditions to Canada and Mount Everest.

In this book, she shares designs for sweaters with the right wilderness look. Linka's goal is to design garments that will keep you warm and dry on short and long adventures, regardless of the weather.

Wilderness Sweaters went straight to the top of the bestseller list when it was published. Her second book *Wilderness Sweaters 2* was published in 2020 with the same success. In this book she shares designs for sweaters with genuine and distinctive patterns inspired by indigenous people and by nature.

Her third book - *Wilderness Interior* - will be published this autumn.
