The Search for the Magician's Tome

Detective Agency No. 2, activity book #5

The Magician's Tome disappeared a long, long time ago. In it, Fredrik Fernando the Great recorded all his magic tricks: for example, how to saw a lady in two – and then put her back together again. Everyone who reads the book will know the secret behind the trick. But the tome also contains other terribly valuable secrets... and Detective Agency No. 2 aren't the only ones looking for it.

The Search for the Magician's Tome is the fifth activity book in the Detective Agency No. 2 series.

Jørn Lier Horst, Hans Jørgen Sandnes

Norwegian writer Jørn Lier Horst (b. 1970) and illustrator and animator Hans Jørgen Sandnes (b. 1979) have together created the bestselling children's book series Detective Agency No. 2 for ages 6–9. Jørn Lier Horst has won multiple awards for his crime fiction books for adults, and is also the author behind the highly praised CLUE series for children aged 9–12. Horst's ability to create charming and believable characters has resulted in a rich universe full of adventure and mystery. Together with Hans Jørgen Sandnes' award-winning illustrations, the Detective Agency No. 2 series' universe and its lovable young detective duo are brought to vivid life before the reader.

The Detective Agency No. 2 series follows the adventures of Tiril, Oliver and their dog Ocho. Together the two young detectives collect evidence, search for connections, and join the at times perilous hunt for criminals. Concluding each book is an afterword in which readers can put their own sleuthing skills to the test.
