Inga Ravna Eira

The Guardian's Dawn

The author, has followed a trail back to the past in order to find values that might comfort us and make us feel secure. We are forced to stop and think about what the consequences of climate change might mean for us in the future.

Inga Ravna Eira

Inga Ravna Eira (1948) was born into a reindeerherding family in Karasjok, Norway, where she still lives. Her first book was published in 1979, since when she has published dozens of books in various genres.
