**Sverre Mørkhagen**

## *Ibsen* '... the strange man'

**A new, monumental biography of Norway's greatest playwright.**

Henrik Ibsen was indeed a strange man. As a person he was insecure, shy and humble – but also generous, shrewd and brilliant. He ingratiated himself into royal circles and raged against the authorities; was reserved one moment, demanding the next.

As a writer he was searching, vivid, innovative and ingenious. The contradictions within him were many – vanity and anarchism, servility and sovereignty. He was both suspicious and a loyal friend; domineering and yet kind.

He experienced an intense longing for life, but devoted himself entirely and absolutely to his work.

Henrik Ibsen (1828–1906) was the son of a bankrupt merchant from Skien. He lacked any formal education or familial support, but still ended up renewing the genre of drama for an entire world. From a literature which had so far described the passions of kings and princes in great sweeping romances, he created a drama in which the same conflicts devastated ordinary people in familiar surroundings. Henrik Ibsen created the drama of the middle classes.

**Winner of the Riksmål Society Literature Prize 2019**

*An innovative masterpiece! Sverre Mørkhagen has written an impressive and courageous biography that changes our view of Henrik Ibsen... It's a brilliant and extremely interesting book. Yes, quite plainly a bold biography... exciting, dramatic and simply a pure joy to read.*

*6 out of 6 stars*

- Dagbladet

*This has to be the ultimate Ibsen biography. Sverre Mørkhagen is distinguished by a masterful intertwining of Henrik Ibsen's life and poetry, and with excellent use of modern standard Norwegian.*

- Riksmål Society's jury leader, Per Qvale
