## *Invisible Together*

A new book about May and June!

On the first day back at school after the summer holiday, one of the desks in the classroom is empty. Ako has disappeared. It's hard to look for someone when you're invisible, but May and June have to try! Can they find him without revealing themselves?

This is the second book in the series about Mysterious May. In *Invisible Together*, May and June must unravel a great mystery that puts both them and their friendship in danger.
