Soft contains everything you may need for your children's knit wardrobe. Here is a ton of inspiration with as many as 42 beautiful designs for children aged 0–12. The designs are easy to understand, contain no difficult abbreviations and provide clothes that can grow with the child and have a good fit. All yarn qualities, yarn types and thicknesses are handpicked to fit each garment and its functionality. The patterns are created so that most of them fit together and can be combined. Feel free to give your wardrobe a distinct look by choosing colors you like and extra nice buttons. By experimenting with the designs and giving them a personal touch, you can create a wardrobe for the child that is well used and loved.
