Bobbie Peers

William Wenton and the Chaos Paralyzer

William Wenton #5

Something is amiss at the Center for Misinformation. The new guard-bots have taken over. William sees no recourse but to flee, bringing the code pyramid – the only thing that can stop Abraham Talley – with him. But London's streets are full of perils, the guard-bots are close behind, and he can practically feel Abraham Talley breathing down his neck. William will need the help of old friends and new enemies in order to keep the pyramid safe. But will he succeed before it's too late?

William Wenton and the Chaos Paralyzer is the fifth book in the William Wenton series. In this installment, old secrets will be revealed and friendships tested as the fight against the evil luridium grows ever fiercer.

Bobbie Peers

Bobbie Peers (b. 1974) made his mark on Norwegian film history when he in 2006 won a **Palme d'Or** for his *Sniffer*, written and directed by Peers himself. The award became the first of many milestones in the London International Film School graduate's career as a director and film writer. 2015 witnessed the multi-talented Peers' debut as a children's books author. *William Wenton and the Luridium Thief* is the first book in the award-winning series featuring the code breaking whizz William.
