## *Modern Embroidery On knitwear and other clothing*

Get inspired to reduce your consumption of clothes in a creative and fun way – with easy techniques!

In *Modern Embroidery* Warunee Bolstad shows you how you can easily breathe new life into your wardrobe through embroidery on new and old clothes. With 15 embroidery patterns for both the beginners and the more experienced, the book is a good basis for creating an unique and sustainable wardrobe with a personal touch.

In the book you will also find Warunees easy and beautiful knitting patterns – sweaters, cardigans and accessories that are a great basis for the embroidery patterns in the book.

Through *Modern Embroidery* you might just create your new favorite pieces of clothing!
