Warunee Bolstad

Modern Embroidery On Knitwear and Other Clothing

Get inspired to reduce your clothing consumption in a creative and fun way – with easy techniques!

In *Modern Embroidery* Warunee Bolstad shows how you can easily breathe new life into your wardrobe with embroidering on new and old clothes. With 15 embroidery patterns for both beginners and advanced, the book provides a good starting point for creating a unique and sustainable wardrobe with a personal touch.

Here you will also find Warunees easy and beautiful knitting patterns – sweaters, cardigans and accessories that will serve as great basics for the embroidery patterns in the book.

You might just create your new favorite pieces of clothing!
