Kristine Rui Slettebakken

This Just Happened

Even though the others in her year have started hanging around in cliques in the schoolyard, Frida prefers to practise her sprinting during breaktime – because Frida loves sprinting...and she can run like lightning!

But when Justin joins her class, it's her heart that starts sprinting. It's something in the way he says hi, the gap between his front teeth, and his reeeally long scarf. AND he's eager to get to know Frida!

Though why does Justin also want to hang out with Martha, a gym-girl in a pink parka? She's everything that Frida isn't – or doesn't want to be.

Kristine Rui Slettebakken debuts as an author with a book brimming with energy and sparkling language. It tackles the transition from childhood to teendom, from friendship to love, from wanting to be different – to wanting to fit in.
