## *Earthquake heart* *Simone 2*

### **How to be a real friend when an earthquake hits?**

Leah and Eline want to be YouTube stars. They have invited Simone to join them, but Simone doesn't just want to talk about gymnastics, clothes and makeup. In all secrecy she would rather join Peter's YouTube channel SuperMuza with Labyrinth races, starring the hamster Lucky-Line. They get a lot of followers - a catastrophic amount! Simone is terrified that Leah will expose them. But then an earthquake hits and everything changes. *Earthquake Heart* is an heroic and tender story about YouTube and true friendships in times of crisis.
