Endre Lund Eriksen

The Animal Detective Bureau 3: Who's Afraid of Virginia Wolf?

The third book in a richly illustrated detective series packed with suspense and humour.

The Animal Detective Bureau is a series by Endre Lund Eriksen and Gisle Normann Melhus. Perfect for all young detectives and animal lovers.

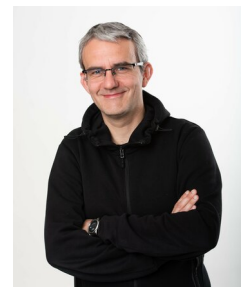

Noral loves animals and is really happy to have become a trainee at the Animal Detective Bureau. Along with retired master detective Carl Berner and Mirja the hyperactive mink, she is ready to investigate all the animal crimes in the little town of Nordlund.

One day a wolf appears in Nordlund. Virginia Wolf. The farmer is afraid for his sheep, people are afraid for their children and everybody are afraid of Virginia Wolf.

Soon chickens start to disappear..

Endre Lund Eriksen

Endre Lund Eriksen (b. 1977) writes books for children and young people. He has been awarded several prizes, including the bookshops' ARK Prize for Children's Books twice, and the U Prize, which is awarded to books for young people.
