**Blafre**

## *Hooray for Little Rabbit*

It's Little Rabbit's birthday and he's looking forward to celebrating with his friends. In this book, children will find out about all the things that are fun about birthdays, as well as learning to count from one to ten.

The Blafre books are brightly coloured and playful, with rhyming text for the very youngest children.

## Blafre

---

Blafre the Norwegian designfirm, lead by Ingrid Erøy Fagervig, has made products for little children for years.
