## *Luckily, People Don't Notice Me*

The book's protagonist is dating Tore, who breaks up with her. She's no longer eligible for student loans, and must get a job. Against all odds, she succeeds in doing so, but the boss bullies her and finds her dysfunctional. Then she meets Stian, who might actually be a good influence on her. Finally, there's hope.

*Luckily, People Don't Notice Me* is filled with black and self-deprecating humour.
