Prince Charming

A modern love story about losing control and finding yourself – and that also real princesses kiss many frogs to find a prince.

Last year's prom ended in major drama for Princess Margrete. She doesn't dare telling anyone about what happened that night with her being hospitalized. As the problems pile up not only for her, but for the whole royal family, she's desperate to share everything with a boyfriend. But who can the Princess of Norway date?

The first book in the *Royalteen* series, *The Heir* (2020), is nominated for the 2020 YA Prize.

The third book is due in June 2021.

'Second book in the Royalteen series is like a home-alone party, that entirely takes place on young people's conditions. (...) You become a greedy reader when both prose and content are in place. Each chapter of Prince Charming is like a small bite of chocolate, and while eating it, your only thought is to devour the whole of it.'
