Swan Song

Swan Song is a psychological thriller where a world of wealth and harmony is transformed into nerve-racking horror.

The youngest son – journalist Jonathan – starts digging into the family's history in the hope of finding answers. He soon discovers that his father is not who he appeared to be. Jonathan's world falls apart, the discoveries call into questions not only of his family but also his own identity. As he gets closer to an answer, it gets even more dangerous for the people he loves the most.
