## *My Life with Napoleon*

An exiting nonfiction novel that tells the story of a French middleclass girl who ends up as a cantinière in Napoleon's Great Army in Germany in 1813.

Her story brings forth forgotten aspects of Napoleon himself, of army life, the horrors of war, and women's conditions during the time of Napoleon.

Excellent reviews.

5 of 5 stars on different internet, pages. (cf [www.norli.no](http://www.norli.no) or [www.haugenbok.no](http://www.haugenbok.no))
