Tinashe Williamson

Handbook for Young Antiracists

Handbook for young antiracists by Tinashe Williamson put the spotlight on the important topic of racism. Through ten chapters and ten fictional characters Williamson answers questions about what racism really is, why representation is important and what you can do if someone is discriminated against because of the colour of their skin.

Racism is a complicated topic for grown-ups to navigate, and many find it hard to talk to their children about it. For what can you say? Where do you begin?

This engaging, including and thorough book is written in the form of a diary, with tasks and conversations that the children can easily bring up at home or with their friends or classmates. The goal is to pass on the knowledge to the generation that is growing up now, to give them the feeling that they have the power to change the world. Together we are stronger, and by just acknowledging the problem we can do something about it.

This is the perfect book on the topic for children 9 years and up, and it works just as well at home as in a teaching situation.

Tinashe Williamson

Tinashe Williamson (b.1985) is a socially committed actor and model. She also work freelance in PR.
Handbook for Young Antiracists is her first book.
