Kjersti Anfinnsen

Moments for Eternity

In Birgitte Solheim's experience, love becomes no less demanding even once she reaches ninety. Her life with and feelings for her partner Javier are just as vivid, even if she is trapped and isolated by physical decline. Her world is limited to the four walls of her home and her daily walk, with little joys and a lot of darkness. Birgitte uncompromisingly reflects on life's worst moments and what remains with her of loss, grief and bereavement in a world that seems more and more alien to her.

Moments for Eternity is a life-affirming novel about love, death and the loneliness of life, and is the second and final book about retired heart surgeon Birgitte Solheim.
