Ove S. Berntsen

## *A Half-Completed Heaven* *God in eternity, God in time, and God in the moment*

Once again, Ove S. Berntsen has produced a book filled with his philosophical and theological considerations, focusing this time on “God in eternity”, “God in time”, and “God in the moment”. As with his two previous books, *The Rest of the Rainbow* and *The Dream and the Day*, this book is also filled with colourful illustrations.
