Where's the Teddy Bear? *Crow's Nest Kindergarten Mysteries*

Leon and Livia never sleep!

It's a dark and stormy night. Crow's Nest Kindergarten is having a sleep-over party. All the children, as well as Elin and Sven Ingvar are spending the night at the kindergarten. The children have also brought along their favorite cuddly toys. In this way it won't be so scary to sleep away from home. But wait a minute. Where's Bruno, Mario's teddy bear? Mario is inconsolable, but Leon and Live are on the case. However this time they may not be able to solve the mystery. Because the children have to go to sleep. And lights-off which makes it kind of ... dark. Outside the wind howls. What is going to happen? Without Bruno?
