Two go Snap *The Proxy sisters blog about the world #1*

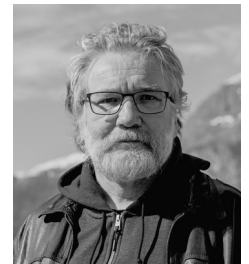

Two sisters and a blog. Chaos, catastrophe and embarrassment.

Mercedes is the big sister and Lada the little one, so they fight almost all the time. And, when you're 13 and nearly 12, you attempt to act a little older than you really are. So the sisters try out life as bloggers and influencers, joining forces a little but becoming enemies a lot. With a camera, a solid plan and an anxious mother, they get started – not always discovering soon enough that this could be embarrassing, but also quite a lot of fun.

First book in the series about the live-wire Proxy sisters, who blog about the world.
