Sara and Dagmara Get CRAZY Rich

The two friends get a very special idea.

This is the third Sara and Dagmara book. They became friends in the first book, and then in the second they looked after a dog. Now we meet them again – and they have a burning desire to get rich quick. But how are they going to make it happen? Steal? Rob a bank? No, and no. Then they have an idea. They can open a shop and sell some very special things ...

Heidi Linde

Heidi Linde (born 1973) is a genuinely talented writer, and writes a warm, yet vivid prose about characters that will touch your heart.

She has been a rising star since her debut novel *Under the Table* (2002) made it to the main selection in Norway's major book club, but her big breakthrough came with her third novel, *Yes, We Can!* (2011).

She is also one of few plot driven women writers to traverse the gender gap; the reviewers obviously see her as a writer for both men and women (and compare her to giants like Nick Hornby and Jonathan Frantzen).
