Heidi Linde

Sara and Dagmara Look After a Dog

Heidi Linde with a fresh, exciting book for new readers.

Sara and Dagmara want something fun to do.

Should they go out on their scooters? To the swings? Go climbing?

No.

Maybe they can look after a dog?

Yes!

Looking after Bill is fun.

Until Bill suddenly vanishes ...

The second book about Sara and Dagmara is about all the drama that occurs on a day that begins with them getting bored.

Heidi Linde reaches out to ever new readers with her books for adults and children. In the Sara and Dagmara books, she has the same familiar, warm and humorous tone that we know from her other writing.

Heidi Linde

Heidi Linde (born 1973) is a genuinely talented writer, and writes a warm, yet vivid prose about characters that will touch your heart.

She has been a rising star since her debut novel *Under the Table* (2002) made it to the main selection in Norway's major book club, but her big breakthrough came with her third novel, *Yes, We Can!* (2011).

She is also one of few plot driven women writers to traverse the gender gap; the reviewers obviously see her as a writer for both men and women (and compare her to giants like Nick Hornby and Jonathan Frantzen).
