Jan Tore Noreng

Freaks

How far are you willing to go to fit in?

Mikkel has started at a new school and is struggling to make friends. But one day he's hand-picked by David and his friends, and immediately finds acceptance as one of the gang.

The new friends turn out to be members of a highly religious group. But Mikkel has nowhere else to turn. And anyway – how dangerous can it be to join a sect?

Very dangerous, as it turns out.

Freaks is the first book in Boys, a thrilling and action-packed book series for teenagers.
