## *Knit Your Own Wardrobe Essentials*

Knit Your Own Wardrobe Essentials teaches you to knit the garments you never tire of. Here you will find patterns for beloved essentials, wonderful knits from innermost to outermost layer, timeless classics and chic fashion knits. In other words, everything you need to make wardrobe essentials—all year round!

Author Camilla Dingsøy designs simple, delicate and classic garments, often with a twist—on several occasions creating new trend garments in the Norwegian knitwear landscape.

The book is jam-packed with both new and classic knits that you can make for years to come—and perhaps pass on to the next generation.
